To Whom It May Concern:

My name is Erina A. Foote and I have known Cindy Girard for 10+ years. She has volunteered with myself for the Wilson's Beach Community Association, where I am the President, and she was the Secretary/Treasurer.

I am writing to recommend that you consider Cindy for your Senior Account Manager Business/Personal position. In all my years of experience, some individuals stand out for their great qualities and Cindy is one of those people. She is well known amongst our community for her intelligence, work ethic, positive attitude, teamwork mentality, and leadership. She is well respected for being the "go-to" person, for getting things done, for meeting short deadlines, for accomplishing any task required of her. Throughout the time I have known her, she has shown me time and again that she is a positive, motivated leader with amazing potential.

During her time with our Association, she played an important and key role in the startup and development of the Wilson's Beach Community Association. Cindy took it upon herself to self-educate on how an Association should be set-up and then proceeded to coach all of the members within the community of the same. Once our Association was formed, Cindy was the main liaison between the community members, the County, and the building developers within the area. Cindy was in charge of any and all financing, bookkeeping, reconciliations, grant applications and anything to do with funding for community projects.

Due to her great attitude, dedication and constant desire to make our community a better place to live, the Wilson's Beach community can now personally thank Cindy for the following additions: annual grant money from the county, groomed beach, boat dock/pier, picnic tables and benches and annual community gatherings. These are only a few of the accomplishments Cindy achieved while volunteering for the Association, there are too many for me to list!

I would whole heartily recommend that you consider Cindy for this position as I am positive she will not let you down and will be as great an asset to your organization as she was to ours.

Please do not hesitate to contact me if I can be of further assistance.
